January 30, 2026 Friday	Continued researching and learning Scratch with BlockBot to develop possible lessons for higher grade levels.	8 hours

LEARNING OUTCOME FOR THE WEEK:

I learned how to assist in preparing materials and setting up equipment for video production and studio activities. I also gained experience in researching and exploring Scratch programming for possible educational lessons using BlockBot. This week helped me improve my teamwork and understanding of basic educational technology development.

TOTAL NUMBER OF HOURS COMPLETED FOR THE WEEK 36 Hours
