February 6, 2026 Friday	Continued and completed editing the Light Chasing Bug assembly guide video and attended a meeting with Ma'am Jaeni.	8 hours

LEARNING OUTCOME FOR THE WEEK:

I learned how to assist in conducting educational robotics activities for students using BlockBot. I also improved my skills in video editing and preparing instructional materials for assembly guide videos. This week helped me gain experience in teamwork, event setup, and supporting student learning activities.

TOTAL NUMBER OF HOURS COMPLETED FOR THE WEEK 36 Hours
